

Design & build
for the
foodservice
industry.

Overview

Space Group are specialists in the design and supply of foodservice facilities, project managing full turnkey solutions from concept to completion and beyond. Creators of inspiring and functional interiors. Experts in delivering beautiful spaces safely, on time and on budget.

Design Consultancy

With years of experience in all aspects of foodservice operations, including kitchen design, serveries, cafes, and bars, we're well-equipped to provide comprehensive design solutions tailored to your unique needs. We pride ourselves on our ability to work collaboratively with our clients, seamlessly integrating our expertise into a client-led design team to ensure that your project runs smoothly from start to finish. Our knowledge of the RIBA stages of construction ensures that all of our designs meet the highest industry standards.

Interior Design & Build

Space Interior Contracts specialises in the design and implementation of interior building solutions. From floors to ceilings and everything in between, we will work closely with you to discover how to best fulfil your requirements, sharing our experience in design, layout, fixtures, and fittings to create inspiring, practical and functional interior spaces.

Contract Furniture

Space Contract Furniture are the UK's leading commercial furniture specialists, providing quality products for the hospitality & leisure industry. Working with a vast array of European furniture manufacturers, we offer an extensive range of design led chairs, tables, sofas, fixed and modular seating. Alongside off-the-shelf products, Space Contract Furniture also design bespoke ranges of furniture utilising our UK manufacturing capability.

Bespoke Manufacturing

Our manufacturing division excels in delivering cutting-edge and tailor-made solutions for commercial kitchens, food retail units, and bespoke foodservice needs. As an established leader in the UK, we are proud to offer comprehensive services ranging from innovative design to expert production and installation. Our state-of-the-art, 3,200 sq. m facility is fully equipped to manage the diverse requirements of our clients' projects.

Catering Equipment Supply & Installation

We are recognised as innovative catering equipment suppliers, embracing advances in energy saving commercial catering equipment. With access to leading manufacturers and the latest products, whether starting from scratch or updating existing equipment, we can provide independent advice to help clients make the best decisions for their business.

Service & Maintenance

We offer fast reliable repair, installation and maintenance services for operators of all types of catering equipment throughout the UK. We can help keep your catering operation running smoothly with fully qualified and experienced catering engineers and a knowledgeable support team.
